Microsoft Office Suite

Figma

Blender

EXPERIENCE

COURTESY CLERK

Market of Choice
2019 - 2020

Kept the Front end area clean throughout the day. Brought in carts and sanitized the high-traffic areas around the store. Helped customers find their way around the store and helped them with any questions or concerns they might have had.

CREW MEMBER

Northwest Youth Corps
2021

Worked on a five week crew where I completed conservation work and trail restoration. During my session, I received an Exemplary performance award recognizing Hard work and flexibility.

ASSISTANT MANAGER

Build-A-Bear
2022 - 2023

Ran the floor and facilitated sales, usually without the help of a manager. Ordered and unboxed freight, and also made sure that displays were eye-catching and neat.
